

THE 2026 WARRIOR GAMES

Greetings Media Professionals,

On behalf of the United States Army Transformation and Training Command, it is my distinct honor to welcome you to the 2026 Warrior Games in Military City USA — San Antonio, Texas.

The Warrior Games is more than an elite adaptive sports competition. It is a powerful demonstration of resilience, recovery, and the unbreakable spirit of our wounded, ill, and injured service members, veterans, and their families. Through sport, they reclaim strength, rediscover purpose, and showcase the very best of what service to our nation represents.

San Antonio will serve as the backdrop for extraordinary moments of perseverance, triumph, and unity. Over the course of the Games, you will witness fierce inter-service competition, inspiring personal journeys, and the unwavering support of families who stand beside these competitors every step of the way.

We invite you to capture the intensity, the emotion, and the humanity behind each story. Your work will not only document competition it will help share stories of courage, healing, and hope with audiences across the nation and around the world. Through your lens, pen, and platform, these Warriors' journeys will inspire countless others.

Thank you for being part of this mission. We are honored to partner with you and look forward to an unforgettable 2026 Warrior Games.

Welcome to the team — and welcome to San Antonio.

David Paschal, Director of The Warrior Games
